

Friends of Liberia Donation Form

Please consider a donation to help continue FOL's projects and work. Read more about these projects on our website: www.fol.org.

Small Grants Projects

FOL invites proposals for grants that support education, social, economic and humanitarian programs in Liberia. These grants also go to post-Ebola recovery.

The Family Literacy Initiative (FLI)

This new pilot project takes a family approach to literacy. It recognizes that parents are a child's first teacher and partners FOL with the international evidence-based program Home Instruction for Parents and Pre-school Youngsters (HIPPI) to bring this program to three communities in Liberia.

The Liberian Cookhouse Cooking Cookbook

These are \$25 each (includes shipping).

_____ (# of cookbooks to purchase)

Donations may be made through PayPal via www.fol.org/donate or you may mail us a check with this form.
