Explanation

Education: The Friends of Liberia (FOL) Education Committee continued its efforts to support WE-CARE International, a Liberian-based (and operated) NGO based in the greater Monrovia area. Of the many projects WE-CARE runs, FOL Education Committee provides guidance and capacity building for the Family Literacy Initiative (FLI). The FLI uses a version of the HIPPY curriculum adapted for Liberia. HIPPY is an international early childhood development program grounded in the belief that learning begins at home and parents can play a critical role as educational partners with schools. It is widely known that children are more successful when parents are engaged in their learning. HIPPY is designed to help parents prepare their preschool children for success in school and life and to equip parents with the tools, skills, and confidence they need to support their children's learning at home successfully. WE-CARE successfully completed year 7 of the HIPPY Home Visitors program with 254 children. WE-CARE has also secured funding for another year from COMIC Relief USA. WE-CARE expanded the program this year to a new community Nyemah Town in rural Montserrado County and serves as a centralized meeting place for a few smaller communities in the area. The Education Committee's dedicated monitoring and evaluation team has been working on expanding our previous report tracking the graduates from the HIPPY program. FOL continues to work with WE-CARE to contextualize curriculum appropriate for adults and children in Liberia. HIPPY is based on the philosophy that learning begins at home, and parents or guardians are a child's first teacher. Each week, home visitors meet with parents to train them to teach literacy to their children effectively. The home visitors demonstrate the week's lessons, teach parents strategies to improve their children's reading skills, and use role-plays to train parents to teach their children interactively. The parents then teach their children by reading with them and asking them questions about the readings. FOL's Education Sub-committee works monthly to support the efforts of WE-CARE in evaluating and monitoring all these educational components, as well as supporting them financially as much as possible. The Adult Literacy Program (ALP) is a series of group instructions designed to help HIPPY parents improve their English literacy and numeracy skills. The ALP curriculum is designed to work with the HIPPY curriculum, but the classes are not exclusive to HIPPY parents, though HIPPY parents get priority in the program. WE-CARE continued the ALP program with 106 level one learners and 42 level two learners. WE-CARE was also able to expand the ALP to Nyemah Town.
